Explore the rich medieval history of Budapest; its fortresses and ornate baroque architecture, witness folk traditions and culture, and enjoy a café by the river Danube.

Travel by train to the forests and farmlands in the province of Vas in the Hungarian countryside. Visit charming villages and fairy tale castles of Hungary and nearby Austria. Our travels in Hungary have been designed to give you a characteristically and ethnically rich Hungarian experience.

The journey continues to the historic city of Vienna, Austria. Wander the cobblestoned passages and alleys and experience the imperial passages, baroque architecture and culture of this beautiful city.
