**Hands-on Digital Photography Workshop with Cindy Horovitz
Wilson & Eileen McCarney Muldoon**

This class is for beginning and intermediate photographers with DSLR's. You will learn about digital and individual basic camera functions as well as ISO, F-stop, shutter speed, and compositional concepts. An hour-long introduction is followed by a photo session the field. The session concludes with an opportunity for students to look at their work and discuss results.

Instructors: Eileen and Cindy have both been professional photographers for over 20 years. They belong to the Portsmouth Arts Guild, Newport Photo Guild, Wickford Art Assn., and Mystic Art Assn. They recently formed the Profundo Journeys Photo Workshop, and, with 12 students, traveled to Italy for two weeks, for the purposes of photo and artistic development. See www.profundojourneys.com.
