

Photo Workshop – Basic DSLR Digital Photography

Cindy Horovitz Wilson and Eileen McCarney Muldoon

Often the beginning photographer is disappointed with what they see in their print compared to what they saw when they clicked the shutter. This workshop is designed to give the students some technical and artistic tools to create beautiful and meaningful photographs by teaching the basic mechanics and rules of photography.

After an instructional period the students will have the opportunity to photograph. Cindy and Eileen will be alongside to offer constant advice and encouragement

Enrollment is limited to 12 students. Contact either Cindy or Eileen for additional information.

Workshop Date: Monday April 19, 2010

Workshop Place: NK Senior Center, Town Beach, Wickford

Time: 4-7 pm

Cost \$50 bring a snack and *your camera manual*
