

## **Photo Workshop – Point & Shoot Digital Photography**

Cindy Horovitz Wilson and Eileen McCarney Muldoon

Often the point & shoot digital photographer is unaware of what their cameras are capable of. This class is designed to give students the understanding of options available and where to find them within each of their point & shoot cameras.

After an instructional period the students will have the opportunity to photograph. Cindy and Eileen will be alongside to offer constant advice and encouragement

Enrollment is limited to 12 students. Contact either Cindy or Eileen for additional information.

**Workshop Date: Monday April 12, 2010**

**Workshop Place: North Kingstown Senior Center, Town Beach**

**Time: 5-8 pm**

Cost \$50 bring a snack and your camera manual
